

Referral Instructions

Thank you for choosing Sleep Medicine Associates, PLLC. To make referral to our facility, please choose one of the following options:

- 1) Call our Brentwood office at (615) 732-5712 or our Pleasant View office at (615) 746-1471, and our staff will get the necessary referral information from you, including patient information, office preference, and doctor preference.
- 2) Complete the Sleep Medicine Associates, PLLC Referral Form ([click here to download form](#)), and fax it to our Brentwood office at (615) 634-8350 or our Pleasant View office at (615) 746-4536.

When necessary, we will contact the patient to schedule an appointment in our office. Be assured that we will follow up with you by sending records for your patient referrals in a timely fashion.

Direct Referrals

Thank you for choosing Sleep Medicine Associates, PLLC. We are glad to accept direct referrals to our facilities, meaning that a patient may be sent directly to our sleep laboratories for evaluation without a consultation appointment in our office. To make direct referral to our facility, please choose one of the following options:

1. Call our Brentwood office at (615) 732-5712 or our Pleasant View office at (615) 746-1471, and our staff will get the necessary referral information from you, including patient information, office preference, and doctor preference.
2. Complete the Sleep Medicine Associates, PLLC referral form ([click here to download form](#)), indicate "Direct Referral" on the form, and fax it to our Brentwood office at (615) 634-8350 or our Pleasant View office at (615) 746-4536.

For direct referrals, please send patient demographics, the most recent clinic notes and relevant information regarding medical necessity for a sleep study. If needed, we will contact the patient to schedule a sleep study and/or an appointment in our office. Be assured that we will follow up with you by sending records for your patient referrals in a timely fashion.
